

## Curriculum Vitae

# Karol Bieńkowski

Tel.: +48.661.401.888  
[www.bienkowski.net](http://www.bienkowski.net)  
born in 1979, married  
live in Warsaw, Poland

## Objective

- Tech Lead, Architect or Senior Developer

## Top skills

- Object-oriented programmer and designer in **Java** using design patterns and TDD
- Developer of multi-tier, scalable **Java EE** apps for **JBoss**, **WebSphere**
- Team leader
- **Goal-oriented** and **effective**

## Career

### **05.2007 – now:** Senior Java EE developer in **Syncron** Poland. **Projects:**

- Supplier chain planner and process engine (Java EE, JBoss, JSF, AJAX) – I am member of team designing and implementing new unified web GUI [2007]

### **01.2005 – 04.2007:** J2EE specialist in **GTech** Eastern Europe. **Projects:**

- Internet **gaming application** (J2EE, WebSphere/JBoss, legacy connectivity, high performance and availability constraints, intl team of >50 developers and QA's, budget >50M €) – I created design of many internal, business layer frameworks, implemented some of them, migrated ex-CORBA modules to J2EE/POJO. I was a team lead (up 8 developers). [2005-07]

### **09.2002 – 12.2004:** Java programmer/designer in **empolis** Poland (part of **Bertelsmann AG**, profile: knowledge and content management, workflow, portals)

- Peer-to-peer knowledge-sharing network (JXTA, SWT, RDF, international, EU-sponsored, budgeted over 3M €) – I designed and from scratch and implemented with tests a large module (over 500 classes) tightly coupled to Oracle DB [2003-04]
- Article archive and portal for one of the largest polish newspapers (J2EE) – I wrote and optimized a DB access layer (Oracle), participated in adding of new functionality in GUI (Struts, JSP, JSTL) and business layer (POJO, EJB, XDoclet) [2004]
- Content and knowledge management system (Weblogic then JBoss, Oracle, over 10 programmers, over 2 years, international, with direct boss in Germany) – I worked on the webapp, created a design of introducing Struts and i18n, participated in completing requirements, designing of functionality and defining of the knowledge model (RDF) [2002-03]
- Implementation of the W3C XML standard [2002]

**2002: Laboratory lecturer at the [Computer Science Faculty of Warsaw University](#):**

- „SGML/XML and up-to-date knowledge management technologies“

**Tools and applications I intensively used:**

- Eclipse, IntelliJ IDEA, JBoss, Spring, Ant, Maven, JUnit, Weblogic, Websphere, Oracle, DB2, CVS, PL/SQL Developer, JIRA, Perforce

Complete list of projects I participated - [www.bienkowski.net/work](http://www.bienkowski.net/work)

***Education and interests***

**Graduate (with distinction) from the Polish top-rated Faculty of [Computer Science of Warsaw University](#) with M. Sc. degree in computer science [2003]. Overall GPA: 4.7 (scale: 2 - 5).**

**Valuable knowledge I gained:**

- Computer science fundamentals: computational complexity, distributed systems, concurrency, key algorithms and data structures
- OO and structural design and programming, UML
- Languages: C, C++, Smalltalk, Java; logic and functional programming
- Web application creation: J2EE (JSP, servlets), PHP
- DB structure design and DB handling: Oracle, PostgreSQL, MySQL, object DBs
- A list of my student projects: [www.bienkowski.net/stud](http://www.bienkowski.net/stud)

**Now I am extending my knowledge in**

- Web 2.0 technologies (JavaScript, AJAX, JSF)
- Application integration (SOA)
- New, light-weight software development methodologies (XP, TDD)

***Achievements and certificates***

- Nationwide finalist of the XLIX Mathematics Olympiad For High School Students [1998]
- Holder of the scholarship of the president of the city of Lublin [1998]
- Sun Certified: Java Programmer (SCJP); Business Component Developer (SCBCD) [2005]

***Miscellaneous***

- English (read, write, speak) - I use it in my daily work; FCE
- Native Polish
- Driving License
- Hobbies: sports, traveling, eating

Last updated: 9-Aug-2007.

I hereby authorize you to process my personal data included in my job application for the needs of the recruitment process (in accordance with the Polish Personnel Protection Act of 29.08.1997 no 133 position 883).
